There are no charter schools in this district.			

## REPORT OF SUPERINTENDENT

Dorchester School District Two experienced another year of outstanding accomplishments and continued academic growth. The district continues to be one of the fastest growing districts in the state, with student enrollment surpassing 23,000. To address this growth, the school district opened a twelfth elementary school, Joseph R. Pye Elementary, this fall and expanded the cafeteria and added classrooms at Fort Dorchester High School.

A commitment to strengthen academic programs and increase student achievement has shaped district decisions and goals this year. All schools and district staff continue to embrace the Professional Learning Community concept to focus on student learning and to build a collaborative culture. To more effectively address the academic and behavioral needs of all students, the district has developed a K-12 Response to Intervention program that includes high quality standards based instruction and universal screening for students. This initiative will continue with district-wide implementation in the coming year. As the district begins the transition to common core standards in curriculum and instruction, extensive planning and staff development has begun for implementation to begin next year. Efforts to serve the needs of each student resulted in a year with the best student test scores ever attained. All district schools received an Excellent or Good absolute rating on the 2011 state report cards. The district's absolute and growth rating was also Good. Thirteen of the twenty eligible district schools earned Palmetto Gold Awards and five received Palmetto Silver Awards for student achievement.

Our schools and students excel in all areas of academic and extracurricular activities. Beech Hill Elementary earned the prestigious Palmetto's Finest Award. Ashley Ridge High baseball team captured the 4-A state championship title. Summerville Elementary, the first school in the state to adopt Sean Covey's "Leader in Me" program, was named the 25th Leader in Me Lighthouse School in the world in recognition of their exemplary program. Summerville High's Model United Nations Team won the Winthrop Cup as best high school delegation in the state. Over \$23,306,200 in scholarships was offered to the graduating class of 2012. A fourth grade student was a national finalist in Google's Doodle 4 Google art competition. The ROTC programs at all three high schools were named Distinguished Units.

The district is faced with challenges, primarily continued community growth that has impacted school facilities. The school board is leading efforts to study facility needs and to seek community support for additional schools. Improving the graduation rate is a major focus for the district. In this effort, the district joined with community groups and churches this fall to hold a community parent summit that provided tools for raising successful children. It is a challenging yet exciting time for our district as all decisions and future plans are driven by student achievement and serving the needs of each individual student.

Joseph R. Pye, Superintendent
