START YOUR CAREER

WWW.DORCHESTERFORBUSINESS.COM

Jump start your manufacturing career with ManuFirstSC

Offered FREE of charge for Dorchester County residents

What you need to know about ManuFirstSC:

- Public information sessions are held before each ManuFirstSC class begins. Participants are required to attend one session.
- Stay informed on upcoming dates by visiting our website (www.dorchesterforbusiness.com) and following us on Facebook, Twitter or LinkedIn.
- Participants must be 18 years of age or older, legally able to work in the country, have a high school diploma or GED and provide WorkKeys score from the past 5 years or schedule to take WorkKeys evaluation.

More than 80 companies in Dorchester County have agreed to accept ManuFirstSC certification in place of one year's manufacturing experience typically required for an entry-level position. This 62-hour training course will give you the skills you need to get your foot in the door making it easier

than ever to move into a new career field. The manufacturing industry is going strong in our region with more jobs arriving each year offering competitive salaries, benefits and opportunities for advancement. This free training program is your first step to a new career.
